Often these images are included simply to satisfy the invasive curiosity of readers or viewers. In most cases, they add nothing substantive to the story and only sensationalize the trans person's life. Similarly, avoid clichéd images of transgender women putting on make-up, wigs, or panty hose, and shots of transgender men shaving.

Medusa is an instantly recognizable figure from ancient Greek art. Her face, whether fierce and grotesque or feminine and composed, appears in virtually all media in varying contexts. The most common interpretation of Medusa suggests she is an apotropaic symbol used to protect from and ward off the negative, much like the modern evil eye.
