Two talented young men were caught in a vortex of racial conflict with tragic consequences that spilled into family life. The story is narrated, partly by one of the young men, but mostly, by a young woman who fell in love with him. While enrolled at university after serving with distinction in the Israeli army, he discovered that his biological parents were of the currently hostile Palestinian community. His supportive adoptive family helped him deal with his internal conflicts that arose from the paradox of his biological origins. Acceptance of him by some in his community started to fray, as the result of extreme interpretations of religious texts. His life became unbearable as a cadre of fanatics branded him as a security risk. After emigrating to Brooklyn, NY, he finds acceptance and romance from an unexpected quarter. Concurrent with the discovery of his real parents is a mirrored event in the Palestinian community where the child he was switched with at birth was revealed by the media to be of Jewish origin.

Santa baby, I’ve really been an awful bad girl... If the city ever decides to put a sign on my front door, it will say, “Good Girl Gone Bad.” This year I am definitely on Santa’s naughty list and it’s not even my own fault. How was I supposed to know that when I asked for a boyfriend for Christmas, that my wish would be granted; with not one, but two suitors vying for my heart? When one problem becomes two... My two suitors are exact opposites. Lucas, the corporate hottie, wants me to spend Christmas Eve at his penthouse and Connor, the bad boy rockstar wants to take me to an isolated cabin on Christmas Day. I’ve agreed to both invitations. Hey, a girl has to explore her options. The Christmas surprise I didn’t see coming... And then everything went wrong. Because who couldn’t see this trainwreck coming; asides from me? Both guys wanted to see me on New Year's Eve: each one sliding a naughty note under my door promising copious amounts of spiced eggnog and an even spicier night. The only problem was they’d both invited me to the same party. Turns out they were connected in a way I never saw coming. It’s complicated doesn’t even begin to express my dilemma. The only thing I know is that at midnight, the fireworks going off aren’t just going to be in the sky.

Dead of Night-Brandilyn Collins 2009-05-26

All words fell away. I pushed myself off the path, noticing for the first time the signs of earlier passage—the matted earth, broken twigs. And I knew. My mouth turned cottony. I licked my lips, took three halting steps. My maddening, visual brain churned out pictures of colorless faces on a cold slab—Debbie Lille, victim number one; Wanda Deminger, number three . . . He’d been here. Dragged this one right where I now stumbled. I’d entered a crime scene, and I could not bear to see what lay at the end. . . . This is a story about evil. Harvesting for Eternity-Jerry Crane 2009-09-12

God makes us free to accept. Why does God let us do the things we do? Do you want freedom and be told how to live at the same time? Do you agree that most people mess up their lives because they feel they are no good? Gods grace helps us become real. Its a friendship between God and me (or you). As this friendship becomes more real, we can begin to see that we are built created by God for something infinite. This means we are built to last forever and to be forgiven when we do wrong. When someone loves us this much, we swallow our pride, we make a commitment and something happens that affects our whole life and those we come in contact with. - Jerry Crane jvcrane@aol.com www.campgriesheim.com www.kogudus.org

Own Your Weird-Jason Zook 2019-09-10

Tired of all the "shoulds" that guide your life? Want to create a life full of meaning? Work on your own terms? See the world a little differently? Then it's time to Own Your Weird. Creative entrepreneur Jason Zook certainly walks the walk of "owning his weird." He's had some crazy yet successful schemes -- he's made over a million dollars by having more than 1,600 companies pay him to wear their t-shirt (a project called I WearYour Shirt). Later he auctioned off his last name twice, for \$50K each time. He then self-published his first book Creativity for Sale by nabbing sponsors and generating \$75K in revenue. Now Own Your Weird is targeted to other potential "out of the box" thinkers who dream not only of doing work on their own terms, but also creating a meaningful life. Consider Jason your spirit guide, offering strategies for honing in on what makes you weird, recognizing when feedback is just another form of procrastination, and how to stop with social media already. There's a specific set of strategies and exercises that can help you prioritize your life over your business, by identifying your MMM (Minimum Monthly Magic) number. He also offers examples from his own life (how he got out of \$124K worth of debt, escaped the pressure to have a big wedding, and has thrived on social media by primarily ignoring it). Own Your Weird is the permission slip you need to take that big risk. To finally chase down that big idea. And to let go of "supposed to" thoughts. See how life opens up when you break out of the blueprint.

Once a Girl, Always a Boy-Jo Ivester 2020-04-21

Jeremy Ivester is a transgender man. Thirty years ago, his parents welcomed him into the world as what they thought was their daughter. As a child, he preferred the toys and games our society views as masculine. He kept his hair short and wore boys' clothing. They called him a tomboy. That's what he called himself. By high school, when he showed no interest in flirting, his parents thought he might be lesbian. At twenty, he wondered if he was asexual. At twenty-three, he surgically removed his breasts. A year later, he began taking the hormones that would lower his voice and give him a beard—and he announced his new name and pronouns. Once a Girl, Always a Boy is Jeremy's journey from childhood through coming out as transgender and eventually emerging as an advocate for the transgender community. This is not only Jeremy's story but also that of his family, told from multiple perspectives—those of the siblings who struggled to understand the brother they once saw as a sister, and of the parents who ultimately joined him in the battle against discrimination. This is a story of acceptance in a world not quite ready to accept.

Cycleback was a 2013 Eric Hoffer Award Finalist for his book Conceits, much of that work incorporated into Return Trip. Reprinted by Beijing's Three Shadows Art Center, his books Judging the Authenticity of Photographs and Judging the Authenticity of Prints by The Masters were the first comprehensive books on the subjects published in Chinese.
