Forget Me Not-Em Shotwell 2017-08-22

War threatens newfound happiness for a matched-up magical couple in this Southern Gothic, new adult fantasy novella prequel to Blackbird Summer. When Rex Somersby’s family matchmaker sets him up with the famous Evelyn Cadeau, he can’t believe his luck. Evelyn is the woman with the perfect Gift—the woman every man wants—while Rex’s own magical ability leaves much to be desired. He travels from Missouri to meet his dream girl in her rural Mississippi home, where Evelyn makes it clear that winning her heart won’t be an easy task. Good thing farm-boy Rex has never been afraid of a little hard work. Evelyn Cadeau is used to getting her way. As the woman with the most powerful Gift, she knows she can have her pick of anyone she wants. And who she wants is slick, handsome, and off-limits Guy McCallister—not gawky, buttoned-up Rex Somersby. Yet, after an arranged date with Rex takes a dramatic turn, leading to a bottle of wine and sneaking to the creek for a late night skinny dip, she realizes there may be more to by-the-rules Rex than meets the eye. Just as the young couple start to think their family’s tradition of matchmaking isn’t quite so backward, Rex is drafted to Vietnam. With war threatening to tear them apart, will love be able to save them? Or will it take a bit of magic? “Slow-burning and leisurely, this romance captures the charm of small towns and the tension of the late 1960s, allowing its leads to come together at their own pace.... A tender story about the healing power of love.”—Publishers Weekly

Make no decisions and you miss every opportunity. In today’s rapidly changing world, the cost of poor decisions (and no decisions) is higher than ever. In How to Make Good Decisions Wisely, author and scholar Alan Ehler lays out a clear approach to making big decisions based on the Bible and recent discoveries in neuroscience and decision science. He presents a simple, four-step process that can be followed to make any kind of decision, whether personal, professional, or relational. Making big decisions can rewrite lives, careers, families, churches, and businesses. A lot is at stake. Learn how to choose well.

Pirate Moon-June Marie Saxton 2011-08-31

“Wind blew silence, rolling heavy and thick from the ocean’s chilly deep, and it settled around us. I stared at a puddle of blood and shuddered. I glanced toward the ocean. The moon peeked through tattered clouds and it was eerie and sad. I called it a pirate moon, yet for melancholy reasons this time. The shady acts of men and devils were often aided by the light of such dim telesial glow.” Pirate Moon is a stand-alone, must-read novel, yet it subtly culminates Saxton’s other books, Dancing with the Moon, Beckon, and Into the Second Springtime. It is written in typical Saxton style, evoking sorrow, pain, radiant laughter, joy, tender romance, and quiet reflection. Pirate Moon is both the darkest and lightest of Saxton’s books; cleverly combining danger and spirituality like the two were friends.

No More Maybes-Elizabeth Stevens 2017-08-04

Can you believe in someone who can’t believe in himself? Maybe... Maybe I just wanted to get through Year 12, coaching, and soccer with no distractions. Maybe life had other plans. Maybe I shouldn’t be drawn to Cole; the new guy who gets into fights and smokes. Maybe I should want to date Jaime; the nice, steady guy who’s always been there. Maybe you can’t help who you fall for, whether they’re good for you or not. Maybe it shouldn’t matter as long as you’re happy. Maybe each new bruise on Cole’s face is a reason to walk away. Maybe there’s more to the secrets he hides and that’s a reason to be there for him. Maybe a lifetime of pain can’t be washed away by anyone else but you. Maybe finally proving that someone else isn’t going to walk away is enough. Or, maybe it’s time I got out of my own head and stopped wondering. Maybe it’s time I just live by my own rules and find out the answers to all those maybes. It’s time for no more maybes. A sweet YA romance about first love and learning to understand different experiences, this is Cole’s story from Aurora’s point of view. The companion novel, Gray’s Blade, is from Cole’s point of view; much like the characters themselves, Cole’s version is darker, dirtier, and rougher. Read through to the end of No More Maybes for a sneak peek at chapter one of Cole’s side. Please be aware that this story is set in Australia and therefore uses Australian English spelling and syntax.
