Jul 31, 2015 · There does appear to be a bug in the code when it comes to evaluating the command in the proper environment. The problem appears to be in the C50::model.frame.C5.0 function. The "cleanest" work around I could find was to add a terms property to your model. This will help encapsulate the function environment.

in R: Error in is.data.frame(data) : object '' not found, C5.0 plot
